Augie/Michael/Michael,

We are finding it increasingly necessary to have a dumpster nearby as the volume of bulky items we collect has been increasing.

The City of Los Angeles (CD 15) has graciously offered to pay for the roll off bin and I wanted to ask if we could place it in the parking area where we currently park the trolleys. The bin would be located outside the locked in area.

Thank you for your consideration.

Kind regards,

Lorena Parker
